Fun for the whole family!

GET INVOLVED by following the steps:

1. SHOE BOX: Available at Beacon Business Center, Main Street Market and many of our local churches
2. "WOW" ITEM: Select a quality "wow" toy such as a doll, soccer ball with pump, or stuffed animal to bless a child.
3. OTHER GIFTS: Pack full with other fun toys and school supplies. Please no liquids! Do not tape your shoe box closed. Use rubber bands instead. The Distribution Centers need to check the contents of the box.
4. PRAY: Most importantly, pray for the child who will receive your gift. Include a personal note and photo to delight the heart of a child.

CREATE-A-GIFT

COMMUNITY SERVICE PROJECT

3 Rivers Worship Center (3RWC) is hosting a make and take craft fair on **December 13th, 2025** to benefit our community by providing opportunities to make quality gifts with a personal touch at Christmas time. We are seeking community volunteers to teach the crafts. Our goal is to provide a variety of crafts that will appeal to different age levels (Pre-school to adult) and ranging from simple to moderate complexity that can be completed in a time frame of 15 minutes to 2 hours. To manage costs for this event, participants will pay a materials fee for each craft they complete, with a target range of \$1 - \$25 dollars.

Would your church, community group, 4-H or FFA group consider hosting a craft for the event?

Possible Craft Project Ideas: Wreath making, ornaments, wood crafts, coasters, tea towels, key chains, jewelry, etc.

Proud to Stand with Trevor Walter for Montana's Kids

By Kerry Walter

Dear Friends and Neighbors,

As Trevor's wife, I get to see the side of him that most people don't. He truly cares about our kids, our community, and the future of Montana families. He is not running for office for power or recognition but because he believes deeply that every child deserves the best start in life.

Trevor believes in the importance of strong academics, such as reading, math, science, and history, but he also knows that kids are more than just test scores. He lights up when he talks about programs like sports, music, FFA, 4-H, and the arts because he has seen how they shape character, build confidence, and bring communities together.

One thing I admire most about Trevor is how strongly he believes in parents. He knows moms and dads, not bureaucrats, should have the final say in how their children are raised and educated. That is why he supports school choice, whether that means public school, private school, homeschool, or charter school. Every family should have the freedom to decide what is best for their kids.

Trevor also supports new opportunities, such as HB 343, which ensures that public school students can take time each week for religious instruction if their parents wish to do so. As people of faith, we understand the importance of giving families that choice, and Trevor will always stand up for those values.

I have heard him say many times, "Our kids deserve better than outdated classrooms and underpaid teachers." And he means it. He wants our schools to be strong and well-supported so that every child has the tools they need to thrive.

At the end of the day, what drives Trevor is simple: his love for God, his passion for family, and his love for Montana's future. I could not be prouder to stand beside him in this journey.

This is why I proudly stand beside Trevor. **"Strong Families, Strong Communities"**
