PIONEER DAY

Pioneer Day was a day of celebration for all Montana Schools. It was created to honor the admission of Montana (The 41st State) in to the Union which occurred on Nov. 8, 1889. In creating Pioneer Day the Montana Legislature chose the first Friday of every November.

The law that was enacted stated all Librarians, weather School or State Librarians, prepare a program of exercises to be used in all Montana Public Schools on the first Friday of November, which is designated by law as "Pioneer Day". State Librarian W.Y. Pemberton clarified in 1910 the meaning of this law:

"The program is intended to be suggestive only and may be varied as circumstance may require, keeping in view the primary object of the law. School Superintendents should take steps to secure a speaker to address the school children at these exercises, explaining the meaning and object of Pioneer Day. In case a speaker could not be obtained, the teachers should perform the duty. The teachers also should select from the pupils those who are best qualified to prepare addresses, essays and recitations on pioneers or pioneer events, to be delivered at these exercises. The object of the law is to familiarize the school children of the state with what pioneer days and times mean; to bring prominently before their minds the hardships endured and the struggles put forth by early pioneers in establishing a home in this mountain land. To also bring before the students the effort made by the pioneers to establish a government of law and order and the difficulties and dangers they encountered and overcame in order to secure protection for their home, their property and their lives."

Many Montana Schools in the past would take the first week of November and put together skits, exhibits and essays and have open houses for the public.

In 1914 a letter was sent to all Montana schools by H. A. Davee, state superintendent of public instruction, to obtain data regarding historic sites in their respective counties' to be used in a Pioneer Day manual.

The letter explains the purpose of the request as follows:

"As the present year will mark the semi-centennial of the organization of Montana territory and the twenty-fifth anniversary of the admission of Montana as a state, an exceptionally 'good celebration of Pioneer

Day should be planned. To assist in providing for this, Dr. F. H. Graver of the state normal school has agreed to arrange a Pioneer Day manual, which will be printed by the department of public instruction, and distributed to the schools through the state." You can still find the manual online today.

In 1924 the law was amended to show Pioneer Days would be celebrated the first Monday of each November.

By 2021 Pioneer Days is currently designated on November 1st as a Commemorative exercise and states "All districts shall conduct appropriate exercises during the school day on the following commemorative days"

Today towns throughout Montana celebrate Pioneer Days on a local level. The last recored observed event in our local schools was in the 1960's.

Sheridan Community Highlighting long time donor Lester Braach
TUESDAY, NOV. 16
11:30PM - 6PM
BETHANY HALL

Lester Braach is a true hero in the Ruby Valley community!! Lester was born and raised in Sheridan, only to leave for a short time when drafted into the Army in 1951. He did his basic training in California and when moved to Atlanta, Georgia he and some friends decided to donate blood with the Red Cross. If you donated you received a day off so of course to some young men that sounded pretty great. Every month, for 3 months they went to donate. The nurse finally said to them, you can't do this every month! He believes he donated 4 times while in the Army. His time in the Army was cut short as his father suffered from a heart attack and he was given a hardship case and came home to run the ranch.
Lester has been a faithful donor in Sheridan and made 92 donations for 11.5 gallons of blood. THAT has saved a lot of lives. At one point a friend needed blood while having surgery in Butte so Lester went to Butte and donated to give to her. For some years the Sheridan hospital had a list of donors and when blood was needed at the hospital you might get a call if you were on the donor list and had a blood match for the person needing blood. Lester has given much to his community and we thank him for his faithful donations. There are many more faithful donors in the Sheridan community and each one is a hero.

Please make an appointment with Linda @ 406-842-7264

Social Media and Internet Safety Trends: The Hidden Dangers

LOCATION
ENNIS HIGH SCHOOL Gym

ADDRESS
CHARLES STREET
ENNIS, MT 59729

PHONE
406-842-4258

Presenter Info:

Officer Gomez is a pro-active police officer working in the eastern region of Idaho. He worked for the Meridian Police Department, serving as the Student Resource Officer of Mountain View High School, for many years and now works for the Boise Sheriff's Office. Officer Gomez works and deals with social media issues on a daily basis.

Training Description:

Our youth are being educated by their peers & the Internet on the topic of social media every day. Parents are giving their kids devices which enable predators to contact them 24 hours a day in their own homes and at school. What education do we have on the dangers of social media? This class will educate you on the dangers of social media and what you can do to protect youth and yourself.

TOPICS COVERED IN THE TRAINING

- Kids vs Parents
- Dangers of Social Media
- Current Applications used
- Fellow classmate predators
- Bullying
- Facebook Security
- SnapChat
- Dangers of GPS on your phone

BENEFACTORS
TWIN BRIDGES LIBRARY

Invest in Discovery

PHILANTHROPY
LITERACY
KNOWLEDGE

Thank you for your generous donations to help us build our new Discovery Hall. The new Discovery Hall is a remodel of an existing addition to the library. Our goal is to generate \$340,000 to build a 2,800 sq. ft. addition to create more room for social distancing, new technology, resources, classes, and exhibits. The Discovery Hall will also provide much needed space for growing the Library's circulation and archives.
