PROGRESS THE WATCH WORD

TAKEN FROM THE MADISONIAN OCTOBER 14TH 1909

Over seventy guests were seated around a banquet board.

Pertinent remarks made and valuable assistance offered for the Up Building of the Community.

The Board of Trade, which was held Thursday evening, was without doubt, the most successful event of the kind ever pulled off in this section of the country. The tables were arranged in the form of a horse shoe, and decorated with flowers. When guests had taken their places at the festive board it was freely remarked that a more representative gathering of the business interests of Sheridan and vicinity, had never been brought together before. After the repast had been done ample justice, the toastmaster, Frank Carey, rose and in a neat and appropriate address stated the object of the meeting, namely to bring forth an expression of ideas tending to improve conditions generally, and to further work already started. The secretary, Dr. Sutherland, briefly sketched the organization of the Board of Trade and detailed what it had accomplished.

The speech of the evening was given by Geo. F. Weeks. In an eloquent address he indicated the great possibilities of the Ruby Valley and what might be done right here in Sheridan. He also pointed out the difficulties that some other districts had to contend with, and in comparison showed how we had been blessed with natural advantages at our doors. "The one essential we need," concluded the speaker, "is co-operation." Remarks were made by the following visitors: Messrs Reed ; J.W. Schmit; A. McKay and Dr. Orr. They all expressed their pleasure at being present and complimented the Board of Trade on their success.

F.B. Linderman was called upon, and in the course of his remarks he urged that Sheridan be brought more into the limelight through the daily press. He related several instances in Helena and Butte where they know of Sheridan, Wyoming; but had never heard of Sheridan, Montana. He concluded by stating that good fellowship was the great essential for advancement and progress all on the line.

Chas. Walter then made an appeal to those present to affiliate with the Board of Trade. The organization was doing a worthy work and was entitled to more support. He also called attention to the park project and hoped now, as the busy season for the farmers was about over, that donations of work would be forthcoming. Rev. Heywood gave and interesting talk about the line of progress.

C.C. Hill, L. Bullerdick, W. Raymond, D.J. Smith, H. Holloway and others gave a short talk and expressed their willingness to do all in their power to help things along. Messrs. Holloway and Smith each donated one week's work on the park, and Mr. Bullerdick one week with team. An informal discussion then took place and results were soon apparent. The secretary was kept busy receiving applications for membership and work was freely donated for the park.

"How did it happen, anyway?" said one prominent ranch man, "If anyone had told me that there would be such and attendance here this evening, I would have thought him crazy. Why, there are men here tonight that I never saw out before." The Board of Trade has yet to tabulate it's first failure.

A vote of thanks was passed to the ladies for their kind assistance

The affair was successful beyond all expectations, and we cannot help but think that much material good was accomplished. The predominant idea seemed to be one of helpfulness and to speak a good word for your neighbor whenever possible, and not to knock. Although some of this was done when advertised. Attendance was a forceful answer and the board of trade will grow, expand and prosper. Meetings are held every Monday evening except the first. Everyone is welcome at these meeting, whether a member or not. By giving your moral support you will aid a worthy movement.

Madison County Nursing Homes Foundation

In Support of

Madison Valley Manor, Ennis, MT

Tobacco Root Mountains Care Center, Sheridan, MT

The Madison County Nursing Homes Foundation is a 501(c)(3) non-profit organization established in 2005. Our mission is to solicit funds to enhance and perpetuate long term healthcare at the Madison Valley Manor in Ennis, Montana and the Tobacco Root Mountains Care Center in Sheridan, Montana. Since inception, generous support has provided funds to purchase hospital beds, dining room chairs, outdoor furniture, 75" flat screen smart televisions, commercial soft serve ice cream machines, blinds, electronic door systems and window coverings. A sampling of recent donations includes 3 - $2,807 top-of-the-line mobile recliners, warming blankets, and support for the Aviaries. Generous donations from local Family Foundations in 2021/22 have also helped support our efforts to provide quality equipment and services for both facilities. In March 2022, we received a $25,000 gift from The Amicus Foundation, John and Sheila Lake, to upgrade the shower facility and purchase a new bathing spa at the Madison Valley Manor. We are humbled by the generosity from our community members. The residents, staff and Foundation Board members extend a huge thank you to everyone.
