“Faith, Family, Freedom — Montana First”

Dear Friends and Neighbors,

My husband, Trevor Walter, is running for Montana House of Representatives District 69 because he believes our community deserves a strong, honest voice in Helena. Trevor isn't a politician — he's a husband, father, and small business owner who knows firsthand the challenges Montana families face.

For over 32 years, we've built our life together here — raising our children, working side by side, and facing the same struggles you do: rising taxes, unaffordable healthcare costs, and lack opportunities to keep our kids close to home.

At the core of Trevor's decision to run are three simple values: **faith, family, and freedom**. His faith gives him strength and humility. His love for family drives his belief that strong families build strong communities. And his commitment to freedom means he will fight to protect our rights, our land, and our Montana way of life. **Keep Montana, Montana!**

As a constitutional conservative Republican, Trevor will serve with courage, honesty, and dedication. I know his heart and his integrity, and I am proud to stand beside him.

With gratitude,
Kerry Walter

Paid for By Trevor Walter for Montana P.O. Box 665, Sheridan MT 59749

Representative Kenneth Walsh Announces
Re-election Bid for House District 69

Twin Bridges, MT — I'm announcing my intention to seek reelection to Montana's House District 69. Serving this district has been one of the greatest honors of my life, and I'm proud of the work we've accomplished together—from strengthening water policy, protecting our health care system, supporting public education, enhancing conservation measures and infrastructure to ensuring fiscal responsibility and advocating for rural communities.

While the election season is still months away, my focus remains where it belongs: on the responsibilities entrusted to me by the citizens of House District 69. I'm not campaigning—I'm continuing to serve. Every day, I'm working to advocate for our communities, respond to constituent concerns, and deliver results that reflect our shared values. Promises made, promises kept.

Throughout my time in office, I've championed conservative values and common-sense governance—fiscal discipline, local control, and respect for Montana's working families. On the Appropriations Committee, I've worked to ensure responsible budgeting and transparent governance, and I've remained a strong advocate for sustainable development, private property rights, education, and rural infrastructure.

My approach has always been grounded in listening first, collaborating across party lines, and finding solutions that reflect the values of our district. I believe in thoughtful leadership and remain committed to serving with fairness, persistence, and respect for every voice in our communities. I welcome your input and encourage you to reach out directly at kmwalsh54@gmail.com or 406-596-0418.

Constituents can learn more about my legislative priorities and campaign updates at www.walsh4montana.com or on Facebook.com/[kenwalshhd69](https://www.facebook.com/kenwalshhd69).
